Steve – I've got a reporter for Durango TV, a local TV station that wants to go up to Silverton this Friday with me to look at some mine sites including the Red and Bonita. I don't know if anyone will be working there yet, but wanted to give you a heads up. Also, the La Plata County Commissioners wanted a tour similar to what we did last week. We are planning on Friday, August 28<sup>th</sup>. So you're are welcome to participate. I assume you may be working at both the R&B and Gold King at that time.
